"Darshita is a visionary with an extraordinary ability to bring people together for collective action, innovation, and achievement...She is an inspiration."

- Professor David Cooperrider (Case Western University)

Mission

Empowering individuals and institutions to address complex business and societal challenges in a more sustainable, inclusive, and strategic way.

"Darshita has a global purpose, which is genuinely for the greater good. I believe, she has ability to deliver a global solution to the critical global problems of today."

- Lord Stone of Blackheath (Ex-Group Managing Director of Marks & Spencer)

Skills

- Global System Integration
- Thought Leadership & Public Speaking
- Finance & Portfolio Management
- Building Purposeful Relationships
- Life, Executive & Systems Coaching
- Facilitating multi-stakeholder dialogues

"Darshita is an incredible listener. She is very quiet but then suddenly uses her voice to give nuggets of wisdom."

- Kim Polman (Chair - Reboot the Future)

Ikigai

(Japanese: reason for being)

"Darshita" means "The one who shows the way" or "Visionary" in Sanskrit.

I work with governments, multinational companies, startups, non-profits and inter-governmental institutions to facilitate adoption of a concrete and inclusive approach to sustainable development.

World View

Challenge:

Unsustainable progress continues while billions still lack access to basic necessities.

Opportunity:

We have the understanding, capability and resources to reset the trajectory, and leave a deeply empowering impact on the next generation.
